Productbeschrijving

Over de auteur

Piotr Olaf Żylicz is a psychologist. He currently holds the position of Rector and Associate Professor at WSB Merito University in Warsaw (Poland). In addition to his academic role, he has previous experience in managing a business school and teaching MBA programs on an international level. He is actively engaged as a consultant and coach, specializing in personal and organizational development. Vartika Dutta is an Assistant Professor of Organizational Behaviour and Human Resources at the Indian Institute of Management Amritsar, India. Her major research domain is educational leadership. In addition to her academic work, she has conducted numerous management development programs and workshops for executives. Rathish Bhatt is an Associate Professor at the Goa Institute of Management, India, specializing in Corporate Strategy and Big Data Analytics. His current research interests focus on several core areas of management, including Corporate Governance, Competitive Strategy, Sustainability, and Business Ethics.
