Feedback previous sessions

Very inspiring experience, very intensive but well organized, I really like the variation of styles and activities.

The number and quality of speakers are just wonderful.

The presentation of Emmanuel Toniutti really brought added value to me, what an inspiring speaker, my favorite.

Colonel Closset very nice perspective, completing the picture of leadership.

Reggy Degen : very well presented. Christian Jourquin : add the credibility of the program; great to have speakers like this, respect.

Laurent Ledoux : image of Indian boy unforgettable; a short film is most effective than an long speech.

Patrick & Anne Marie Demoucelle : very dynamic interplay, impressed by the team work and dynamism”

Nordic walk: good to have some physical activity.

This morning when coming into the office I realized I looked at things in a different way!
